Scopus Q1 Journal Submission Checklist

As the author, I have ensured that all required items are completed and included prior to submission.

- ✓ **Title Page**: Complete with manuscript title, author(s) name(s), affiliation(s), abstract, and keywords.

- ✓ **Manuscript**: Full paper including Introduction, Literature Review, Methodology, Results, Discussion, Conclusion, and References.

- ✓ **Figures**: Eight publication-quality figures in PNG format, minimum 300 DPI, clearly labeled and cited in the manuscript.

- ✓ **Tables**: Nine comprehensive tables with proper captions and cited in the text.

- ✓ **References**: Complete, formatted according to the journal style; all fields populated.

- ✓ **Declaration of Interest**: Statement confirming no conflicts of interest.

- ✓ **Ethics Statement**: Documentation of ethical approval and informed consent.

- ✓ **Data Availability**: Clear statement about dataset accessibility.

- ✓ **Author Contributions**: Description of contributions for all authors (single-author statement included if applicable).

- ✓ **Funding**: Statement regarding funding or lack thereof.

- ✓ **Acknowledgments**: Recognition of participants and other contributors.

- ✓ **Supplementary Material**: Survey instruments, methods details, or additional analyses.

- ✓ **Research Data**: Detailed description of datasets with formats and access instructions.

- ✓ **Cover Letter**: Formal submission letter addressed to the editorial office.

- ✓ **Co-Submissions (if applicable)**: Data in Brief or MethodsX manuscripts attached with proper cross-references.

Files to Submit

1. `main.tex` — complete manuscript

2. `references.bib` — updated bibliography

3. `coverletter.tex` — submission cover letter

4. `titlepage.tex` — title page with abstract and keywords

5. `declaration.tex` — declaration of interest, ethics, author contributions, funding, acknowledgments

6. `figures/` — directory containing all figure files (PNG, 300 DPI)

7. `tables/` — directory or embedded in manuscript

8. `supplementary.tex` — survey instruments, methods, additional material

9. `researchdata.tex` — datasets and description

10. `datainbrief.tex` — co-submission to Data in Brief (if applicable)

11. `methodsx.tex` — co-submission to MethodsX (if applicable)
